Case No.: 2018-CH-04872

Hon. Michael T. Mullen

**DECLARATION OF BENJAMIN H. RICHMAN  
IN SUPPORT OF PLAINTIFFS' MOTION FOR PRELIMINARY APPROVAL**

Under penalties as provided by law pursuant to Section 1-109 of the Code of Civil Procedure, the undersigned certifies that the statements set forth in this instrument are true and correct, except as to matters therein stated to be on information and belief and as to such matters the undersigned certifies as aforesaid that he verily believes the same to be true.

1. I am an attorney admitted to practice before the Supreme Court of the State of Illinois. I am entering this declaration in support of Plaintiffs' Motion for Preliminary Approval of Class Action Settlement. This declaration is based upon my personal knowledge except where expressly noted otherwise. If called upon to testify to the matters stated herein, I could and would competently do so.

2. I am Managing Partner of Edelson PC's Chicago office, which has been retained to represent the named Plaintiffs in this matter, along with the Law Office of Robert L. Teel, and to act as proposed Settlement Class Counsel on behalf of the Settlement Class.<sup>1</sup>

### ***Litigation and Settlement History***

3. My firm began actively litigating claims on behalf of plaintiffs related to Defendants DeVry University, Inc. and Adtalem Global Education, Inc.'s (collectively, "DeVry") allegedly fraudulent representations regarding its graduates' employment and salary outcomes in 2016. *See Robinson, et al. v. DeVry Education Group, Inc. et al.*, No. 1:16-cv-07447 (N.D. Ill.). Following the voluntary dismissal in *Robinson*, the firm subsequently filed this action in 2018, originally styled as *Versetto v. Adtalem Global Education, Inc., et al.*, No. 2018-CH-04872 (Cook Cty., Ill. Cir. Ct.), along with *Brown v. Adtalem Global Education, Inc., et al.*, No. 19-00250 (W.D. Mo.); *Robinson v. Adtalem Global Education, Inc.*, No. 19-cv-01505 (N.D. Ga.); and *Magana, et al. v. Adtalem Global Education, Inc., et al.*, No. 19-cv-01505 (E.D. Cal.) in 2019.

4. Beginning in the summer of 2018, as DeVry's first motion to dismiss in this case was pending, the parties began exploring the possibility of reaching a resolution of the litigation. As part of this process, and in the context of Plaintiffs' pending written discovery, the parties exchanged information and relevant data relating to the makeup of a potential settlement class, including a decade's worth of data regarding, among other things, the number of DeVry students at issue, the total amount in tuition that they were charged, and the total amount of loan funding that was provided to DeVry students. The parties' representatives had several in-person meetings

---

<sup>1</sup> Except as otherwise indicated, all defined terms used in this Declaration shall have the same meanings ascribed to them in the parties' Settlement Agreement and Release (the "Settlement" or "Agreement").

and telephone conferences, in addition to ongoing correspondence, to discuss this information and to preliminarily discuss potential settlement frameworks.

5. After this process was completed, and satisfied that they had obtained the information necessary to evaluate any proposed resolution, the parties agreed to attend a private, in-person mediation with respected third-party mediator, Hon. Layn R. Phillips (Ret.) in New York. Judge Phillips already had experience in mediating disputes regarding DeVry's 90% Placement and Higher Income Claims in other contexts—particularly securities and derivative litigation—thus affording him a unique familiarity with the case's factual underpinnings and related legal issues.

6. In advance of the mediation, the parties also submitted detailed briefs that set forth their respective views of the case, their perceived strengths and weaknesses, and potential frameworks for a resolution, all of which they had also been discussing at length throughout the preceding months' of informational exchanges. They participated in several teleconferences with Judge Phillips as well to discuss their submissions and answer questions about them.

7. The parties attended the in-person mediation in late 2018, during which they spent a full day engaged in a back-and-forth, arms'-length mediation, with Judge Phillips' oversight. These efforts were productive, and the parties left the mediation with Plaintiffs tendering a fulsome settlement proposal that DeVry was deliberating over. As DeVry was considering the proposal, a court in a different putative class action regarding the 90% Placement and Higher Income Claims granted DeVry's motion to dismiss the plaintiff's case. *See Polly v. Adtalem Global Educ., Inc.*, No. 16-cv-9754, 2019 WL 587409, at \*2–3 (N.D. Ill. Feb. 13, 2019). With this opinion in hand, DeVry determined not to proceed with any settlement at that time and the parties returned to active litigation.

8. My firm and our co-counsel at the Law Office of Robert L. Teel subsequently filed actions on behalf of Plaintiffs Brown, Magana, Swindell, Torosyan, and Robinson in their home jurisdictions. In connection with some of those actions, including Plaintiff Brown's case, formal discovery was propounded that largely sought similar information to what DeVry had previously produced. At the same time, proposed Settlement Class Counsel received productions from Freedom of Information Act requests related to the 90% Placement and Higher Income Claims, providing further information regarding the allegations that these Claims were inaccurate.

9. In this case, the Court decided the pending motion to dismiss, after which Plaintiff McCormick filed an amended complaint. DeVry moved to dismiss this amended complaint, and the motion was fully briefed and argument on it was scheduled. At that point, the parties broached the possibility of restarting negotiations on a potential settlement. To this end, they agreed to schedule a second in-person mediation with Judge Phillips.

10. In advance of the second mediation, DeVry supplemented and updated the documents and information it had previously produced, and the parties otherwise shared their views on a potential resolution in light of the then-current posture of the litigation. As with the first mediation, the parties also held several teleconferences with Judge Phillips to discuss all of this prior to the mediation. With this information in hand, the second mediation took place for a full day in December 2019.

11. Following multiple rounds of individual caucuses with Judge Phillips and meetings between the parties and their representatives, the parties were ultimately able to reach an agreement in principle on a proposed global settlement of all claims regarding the 90% Placement and Higher Income Claims. The parties have since spent the intervening months

exchanging multiple drafts of the actual Settlement Agreement and supporting documents, and conducting further confirmatory discovery focused, in particular, on more granular breakdowns of the data already produced—for example, the average costs associated with graduating from DeVry associate’s, bachelor’s, and master’s degree programs, various credit hour information for different cross sections of the Class and the like.<sup>2</sup> The final product of these efforts are now before the Court.

***Qualifications and Opinion of Proposed Settlement Class Counsel***

12. Proposed Settlement Class Counsel at Edelson PC have extensive experience litigating class actions of similar size, scope, and complexity to the instant action. We regularly engage in major complex litigation involving consumer protection, have the resources necessary to conduct litigation of this nature, and have frequently been appointed class counsel—both when securing adversarial class certification and in conjunction with proposed class settlements—by state and federal courts in Illinois and throughout the country. The firm has substantial experience investigating and litigating a wide range of high-impact matters—representing government clients, individuals, and classes alike—and a depth of experience litigating (and negotiating settlements) in complex and multi-party matters.

13. Together in this case and the Related Actions, proposed Settlement Class Counsel have diligently investigated, prosecuted, and dedicated substantial resources to the claims at issue, and will continue to do so throughout the pendency of the litigation.

14. Based on this experience, proposed Settlement Class Counsel firmly believes that the instant Settlement—which creates a \$44.95 million Settlement Fund providing significant

monetary relief to DeVry’s students, including Graduate Payments to those graduates who faced difficulty finding jobs in their fields of study, provides job placement assistance, and removes any DeVry-initiated negative credit events from their credit reports, all while preserving Settlement Class Members’ rights to seek debt forgiveness from the government—is fair, reasonable, adequate, and deserving of preliminary approval.

15. In addition, DeVry has represented that it will be able to fully meet its obligations—financial and otherwise—under the Settlement should the Court grant preliminary approval.

### EDELSON PC FIRM RESUME

EDELSON PC is a plaintiffs' law firm concentrating on class actions, mass actions and public client investigations and prosecutions.

Our attorneys have been recognized as leaders in these fields by state and federal courts, legislatures, national and international media groups, and our peers. Our reputation has led state and federal courts across the country to appoint us lead counsel in many high-profile cases, including in cutting-edge privacy class actions against Facebook, comScore, Netflix, Time, and Microsoft; Telephone Consumer Protection Act class actions against technology, media, and retail companies such as Google, Twentieth Century Fox, Simon & Schuster, and Steve Madden; data security class actions against LinkedIn, Advocate Hospitals, and AvMed; banking cases related to reductions in home equity lines of credit against Citibank, Wells Fargo, and JP Morgan Chase; fraudulent marketing cases against software companies such as Symantec, AVG and Ascentive and brick-and-mortar companies such as AMD; mobile content class actions against all major cellular telephone carriers; and product liability and personal injury cases, including the NCAA Single School/Single Sport Concussion MDL and the tainted pet food litigation involving Menu Foods.

We are lead counsel in *Robins v. Spokeo*, 136 S. Ct. 1540 (2016) where the United States Supreme Court held that “intangible” harms can satisfy Article III standing requirements.

We are class counsel in *Wakefield v. Visalus*, No. 3:15-cv-01857 (D. Ore. Apr. 12, 2019), which after three and a half years of litigation recently produced the largest-ever privacy jury verdict, which equates to just over \$925 million in damages to the Class.

We have testified before the United States Senate and state legislative bodies on class action issues and have repeatedly been asked to work on federal and state legislation involving cellular telephony, privacy, and other consumer issues. Our attorneys have appeared on dozens of national and international television and radio programs, and in numerous national and international publications, discussing our cases and class action and consumer protection issues more generally. Our attorneys speak regularly at seminars on consumer protection and class action issues, and also lecture on class actions at law schools.

In *Barnes v. Aryzta*, No. 17-cv-7358 (N.D. Ill. Jan. 22, 2019), the court endorsed an expert opinion finding that we “should ‘be counted among the elite of the profession generally and [privacy litigation] specifically’ because of [our] expertise in the area.”

The Hollywood Reporter explained that we are “accustomed to big cases that have lasting legacy.”

Overall, our verdicts and settlements are valued at over \$2 billion, collectively.

## PLAINTIFFS' CLASS AND MASS ACTION PRACTICE

EDELSON PC is a leader in plaintiffs' class and mass action litigation. Law360 has called us a "Titan of the Plaintiffs Bar," a "Plaintiffs Class Action powerhouse" and a "Privacy Litigation Heavyweight." In 2018, we were recognized for the second consecutive year as an "Illinois Powerhouse," alongside Kirkland & Ellis, Dentons, Schiff Hardin and Swanson Martin; Edelson was the only firm with less than a hundred lawyers recognized. Law360 also named us a "Cybersecurity & Privacy Group Of The Year," again the only plaintiff's firm to win this honor.

We have been described as "pioneers in the electronic privacy class action field, having litigated some of the largest consumer class actions in the country on this issue." See *In re Facebook Privacy Litig.*, No. C 10-02389 (N.D. Cal. Dec. 10, 2010) (order appointing us interim co-lead of privacy class action); see also *In re Netflix Privacy Litig.*, No. 11-cv-00379 (N.D. Cal. Aug. 12, 2011) (appointing us sole lead counsel due, in part, to our "significant and particularly specialized expertise in electronic privacy litigation and class actions"). We have also been recognized by courts for our uniquely zealous and efficient approach to litigation, which led the then-Chief Judge of the United States Court for the Northern District of Illinois to praise our work as "consistent with the highest standards of the profession" and "a model of what the profession should be. . . ." *In re Kentucky Fried Chicken Coupon Mktg. & Sales Practices Litig.*, No. 09-cv-7670, MDL 2103 (N.D. Ill. Nov. 30, 2011). Likewise, in appointing our firm interim co-lead in one of the most high profile banking cases in the country, a federal court pointed to our ability to be "vigorous advocates, constructive problem-solvers, and civil with their adversaries." *In Re JPMorgan Chase Home Equity Line of Credit Litig.*, No. 10 C 3647 (N.D. Ill. July 16, 2010). After hard fought litigation, that case settled, resulting in the reinstatement of between \$3.2 billion and \$4.7 billion in home credit lines.

We have several sub-specialties within our plaintiffs' class action practice:

### MASS/CLASS TORT CASES

We are representing governmental entities and labor unions seeking to recover losses arising out of the Opioid Crisis, classes of student athletes suffering from the long-term effects of concussive and sub-concussive injuries, and individuals damaged by the "Camp Fire" in Northern California. Our attorneys were a part of a team of lawyers representing a group of public housing residents in a suit based upon contamination related injuries, a group of employees exposed to second-hand smoke on a riverboat casino, and a class of individuals suing a hospital and national association of blood banks for failure to warn of risks related to blood transfusions. Representative cases and settlements include:

- Filed first cases on behalf of labor unions seeking to recover losses arising out of the Opioid Crisis. See, e.g. *Philadelphia Federation of Teachers Health and Welfare Fund v. Purdue Pharma, L.P., et al.*, No. 2:17-cv-04746-TJS (E.D. Penn. Oct. 26, 2017). Representing governmental entities in similar litigation. E.g. *City of Melrose Park v. Purdue Pharma, et al.*, 18-CH-06601 (Cir. Ct. Cook Cty., Ill.), 18-cv-

05288 (N.D. Ill.).

- *In re: National Collegiate Athletic Association Single School/Single Sport Concussion Litig.*, No. 16-cv-8727, MDL No. 2492 (N.D. Ill.): Appointed co-lead counsel in MDL brought against the NCAA, its conferences and member institutions alleging personal injury claims on behalf of college football players resulting from repeated concussive and sub-concussive hits.
- Representing numerous victims of the Northern California “Camp Fire,” allegedly caused by utility company Pacific Gas & Electric through proposed class action, *Burnett v. PG&E Corp.*, No. CGC18571849 (Cal. Super. Ct.), as well as in more than one hundred individual cases.
- *Mullen v. GLV, Inc., et al.*, No. 18-cv-1465 (N.D. Ill.): Filed first of its kind class action against nationally recognized volleyball training club and its co-owners, alleging fraud claims arising from defendants’ alleged failure to disclose rape and sexual abuse of underage women committed by company principal. Claims): Filed putative class action on behalf of homeowners alleging the government has to fairly compensate the class under the Fifth Amendment’s Takings Clause after the government flooded their homes by releasing reservoir waters during Hurricane Harvey.

- *Edelson PC v. Christopher Bandas, et al.*, No. 1:16-cv-11057 (N.D. Ill.): Filed groundbreaking lawsuit seeking to hold professional objectors and their law firms responsible for, among other things, alleged practice of objecting to class action settlements in order to extort payments for themselves, and the unauthorized practice of law. After several years of

litigation and discovery, secured first of its kind permanent injunction against objector and his law firm, which, *inter alia*, barred them from practicing in Illinois or asserting objections to class action settlements in any jurisdiction absent meeting certain criteria.

The firm's cases regularly receive attention from local, national, and international media. Our cases and attorneys have been reported in the Chicago Tribune, USA Today, the Wall Street Journal, the New York Times, the LA Times, by the Reuters and UPI news services, and BBC International. Our attorneys have appeared on numerous national television and radio programs, including ABC World News, CNN, Fox News, NPR, and CBS Radio, as well as television and radio programs outside of the United States. We have also been called upon to give congressional testimony and other assistance in hearings involving our cases.

## MORTGAGE & BANKING

EDELSON PC has been at the forefront of class action litigation arising in the aftermath of the federal bailouts of the banks. Our suits include claims that certain banks unlawfully suspended home credit lines based on pre-textual reasons, and that certain banks have failed to honor loan modification programs. We achieved the first federal appellate decision in the country recognizing the right of borrowers to enforce HAMP trial plans under state law. The court noted that “[p]rompt resolution of this matter is necessary not only for the good of the litigants but for the good of the Country.” *Wigod v. Wells Fargo Bank, N.A.*, 673 F.3d 547, 586 (7th Cir. 2012) (Ripple, J., concurring). Our settlements have restored billions of dollars in home credit lines to people throughout the country.
